The Game

The Tribe will return to action when it hosts top-ranked James Madison for the program's 89th Homecoming game on Saturday at 3:30 p.m. The matchup will be televised regionally on Cox Yurview Virginia. W&M has experienced success recently against No. 1-ranked teams, as it won its last two such matchups (Villanova, 2010; Southern Illinois, 2009) and three of its last four, which includes a victory against New Hampshire in 2005. JMU currently owns a 6-0 record overall and a 3-0 mark in league play, while it has won 18 consecutive games dating back to last season.

The Series

In a series that began in 1978, JMU has won 22 of the 39 all-time meetings, while W&M owns a 12-9 advantage in games played in Williamsburg. The teams have split the last four matchups with each team winning a pair of games on its home field.

The Coaches

- William & Mary: Jimmye Laycock (W&M '70) owns a career record of 245-184-2 and is in his 38th season at the helm of the Tribe. His 245 wins rank second nationally among all active Division-I coaches, while his 109 conference victories rank second all-time in the CAA. Additionally, no active Division I head coach has been with his respective program longer than Laycock.
- James Madison: Mike Houston (Mars Hill '84) is in his second season at JMU and owns a 20-1 record with the Dukes.

The Program

- William & Mary's all-time record stands at 573-560-41 in 124 seasons.
- During Laycock's tenure, W&M has won five conference titles, advanced to the NCAA playoffs 10 times and posted 24 winning seasons. W&M has advanced to the NCAA FCS semifinals twice - 2004, 2009.
- W&M has finished the season ranked among the top 10 nationally twice since 2009 and ranked as high as No. 1 during the 2010 campaign.
- Laycock has coached 45 All-Americans (125 total honors), while 38 W&M players have signed NFL contracts during his tenure.

Tribe's Comeback Bid Falls Short at No. 7/6 JMU, 31-24

Harrisonburg, Va. - The Tribe fell at No. 7/6 James Madison, 31-24, on Oct. 8, 2016.

The game was in reach for W&M (2-4, 0-3) late in the fourth quarter, as it trailed by just a touchdown, 24-17, with less than two minutes remaining. However, the Tribe's comeback bid stalled at JMU's 16-yard line when senior quarterback Steve Cluley was intercepted in the end zone with 1:22 remaining. It was the second of two turnovers by the Tribe inside the red zone during the second half.

Although a 74-yard touchdown run by Khalid Abdullah with 0:55 remaining increased the Dukes' (5-1, 3-0) lead to 31-17, the Tribe quickly answered with a 5-play, 52-yard touchdown drive that culminated with a 4-yard strike from Cluley to junior wideout DeVonte Dedmon with 0:03 remaining to once again cut the margin to a touchdown.

However, W&M was unable to secure the ensuing onside kick, and JMU ran out the final seconds.

Senior running back Kendell Anderson led the Tribe offensively with 149 yards on a career-high 31 carries with a touchdown.

Defensively, junior safety Richie DiPietro totaled a team-high 10 tackles, while redshirt freshman safety Corey Parker totaled seven stops with an interception.

While JMU took an early 3-0 lead on a 33-yard field goal by Tyler Gray on the game's opening drive, W&M tied the score with a 37-yard field goal by redshirt freshman Kris Hooper shortly thereafter. The field goal, which was the first of Hooper's career, was set up by Parker's interception that gave the Tribe starting field position at JMU's 18-yard line.

A 4-yard touchdown run by Abdullah late in the first quarter briefly put JMU ahead, 10-3, but the Tribe answered again – this time with an 11-play, 75-yard drive that ended with an 8-yard touchdown run by Anderson. In addition to the score, Anderson fueled the drive with 57 yards on six carries.

The Dukes had an opportunity to reclaim the lead, but Gray missed a 21-yard field goal midway through the second quarter as the teams went to the locker room tied at 10-10.

Although touchdown runs Abdullah and Cardon Johnson lifted JMU a 24-10 advantage early in the fourth quarter, the Tribe cut the deficit in half with a 32-yard touchdown run by Cluley on a fourth-and-2 with 8:11 remaining.

After W&M's defense forced a punt, the Tribe took possession at its own 9-yard line with 6:12 showing on the clock. Unfortunately, the ensuing 12-play, 75-yard drive failed to yield points as it ended with the interception in the end zone.

Abdullah led JMU with 194 yards on 25 carries with three touchdowns, while Johnson finished with 90 yards on 17 carries with a score.

Although W&M held the Dukes well below its scoring average (47.6), JMU outgained the Tribe, 511-362, and piled up 329 yards on the ground.

Welcome Back

Saturday's contest will mark the 89th homecoming in the Tribe's football history. Traditionally, the squad has thrived on this special weekend, as the program sports a 52-36 all-time record in homecoming games. W&M has greeted its alumni with dominating performances, as the program has won 13 of its last 18 homecoming tilts, including 10 by double-digit margins. Offensively, the team is averaging 29.1 points per contest during the span (523 points).

The W&M faithful have only left Zable unhappy seven

times in the last 26 homecoming events (1997, 1998, 2006, 2007, 2011, 2012, 2014), while three of those five losses were to teams ranked in the national top five (No. 1 Villanova in 1997, No. 4 UMass in 2006 and No. 5 Villanova in 2014).

An alum, head coach Jimmie Laycock has excelled in front of the home crowd, as he sports a 24-13 all-time homecoming record.

The Tribe's first homecoming game was held in 1926, a 14-0 win over George Washington University.

Series History

In a series that began in 1978, JMU has won 22 of the 39 all-time meetings while W&M owns a 12-9 advantage in games played in Williamsburg.

Since becoming league opponents in 1993, the teams have met 24 times in the regular season, with JMU winning 16 of those contests.

The Dukes have won 10 of the last 13 meetings, including a NCAA semifinal matchup in 2004. Two of W&M's victories during the span were homecoming contests in Williamsburg (2009, 2013).

Narrow Margin

Six of the last seven matchups between W&M and JMU have been tightly contested, as those games have been decided by no more than a touchdown - including a double overtime contest in 2012.

The recent matchups reversed a trend that developed during the prior four years when the average margin of victory was 20 points.

JMU holds a narrow 951-943 advantage in cumulative score in the all-time series.

Slowing Down the Dukes

W&M's defense has been effective against JMU recently and has allowed just 360.7 total yards per game (2,886) in the last eight matchups. The Tribe has been especially effective stopping the Dukes' passing attack during the current stretch, as it has allowed just 154.1 passing yards per game (1,233) in the past eight meetings.

The William & Mary football program boasts some of the finest facilities at the FCS level, as the \$28 million Zable Stadium renovation was completed in 2016 and sits adjacent to the team's \$11 million Jimmie Laycock Football Center. The recent stadium renovation also includes the addition of a new state-of-the-art playing surface - FieldTurf Revolution 360.

Additionally, the Tribe has posted a 7-4 record in overtime games.

One Tribe, One Family

The W&M athletic department's unofficial slogan - "One Tribe, One Family" - is especially true for the Tribe football team,

as the roster features a pair of brother tandems - Josh/Justin Dulaney and Collin/Corey Parker.

W&M a Special Place for Special Teams

A Tribe standout has earned the CAA Special Teams Player of the Year honor during six of the last seven seasons - Jonathan Grimes (2010, 2011), B.W. Webb (2012), Tre McBride (2013), John Carpenter (2014) and DeVonte Dedmon (2015).

National Preseason Honor

Having established himself as one of the nation's elite offensive linemen throughout his career, W&M senior left tackle Chris Durant was selected to the STATS FCS Preseason All-America Third Team this summer.

A two-time All-CAA honoree and four-year starter at left tackle, Durant also earned 2017 preseason All-CAA distinction.

Durant's standout play has helped W&M produce a 1,000-yard rusher during each of the last three seasons. Additionally, the Tribe allowed the league's fewest sacks per game (1.08) and led the nation in fewest tackles for a loss allowed per game (3.46) in 2015.

Preseason All-CAA

In addition to Durant's selection on the preseason All-CAA team, senior wide receiver DeVonte Dedmon also garnered the distinction.

One of the nation's most electric playmakers as both a wide receiver and a return specialist, Dedmon entered his senior season as an All-America candidate at both positions. A two-time All-CAA selection at wideout and former CAA Special Teams Player of the Year (2015), Dedmon ranked among the league's top 10 in five statistical categories last fall despite being limited for much of the season by injury.

Preseason CAA Rankings

The Tribe was selected to finish seventh the CAA preseason poll, which was voted on by the league's coaches and sports information directors.

Mike Tomlin, Sean McDermott, Marv Levy and Lou Holtz all have ties to W&M. Tomlin (1990-94), a wide receiver, and McDermott (1993-97), a safety, are both former team captains, while Levy (1964-68) and Holtz (1969-71) both served as head coaches.

Bouncing Back

Under head coach Jimmye Laycock, W&M has historically bounced back from seasons in which it failed to post a winning record (W&M was 5-6 last season), as the Tribe has registered consecutive losing seasons just three times during the past 35 years (2005-2006; 2006-2007; 2011-2012).

It's A Winner

In his 37 full seasons at W&M, head coach Jimmye Laycock has secured 24 winning seasons.

The achievement is remarkable when considering the program had just seven winning seasons in the previous 30 years (1950 – 1979) prior to his taking control of the program for the 1980 season.

Captains

The Tribe is led by a quartet of senior captains this season – defensive end Matt Ahola, tight end Andrew Caskin, left guard Connor Hilland and cornerback Aaron Swinton.

Tribe in the NFL

The Tribe was well represented in NFL training camps this summer, as six former players were on active rosters – Jonathan Grimes (Jaguars), DeAndre Houston Carson (Bears), Tre McBride (Titans), Luke Rhodes (Colts), Jerry Ugokwe (Saints) and B.W. Webb (Bears). Additionally, two other former players were on NFL rosters last season – Jerome Couplin III (Rams) and Sean Lissemore (Chargers).

Additionally, a pair of former Tribe players are currently serving as NFL head coaches – Mike Tomlin '95 (Pittsburgh Steelers, head coach) and Sean McDermott '98 (Buffalo Bills). Atlanta Falcons head coach Dan Quinn also has W&M ties, as he was an assistant on the Tribe's staff in 1994.

Also noteworthy is a pair of former W&M head coaches who went on to have extraordinary careers – Marv Levy and Lou Holtz. Levy served as W&M's head coach from 1964-68 and was followed by Holtz from 1969-71.

Tribe NFL Draft Picks

When All-American defensive back DeAndre Houston Carson was selected by the Chicago Bears in the sixth round of the 2016 NFL Draft, he became the sixth Tribe player drafted since 2009.

Below are a few notes about W&M's six NFL Draft picks since 2009.

- Leads the CAA and ranks second in the FCS, behind only Montana (7)
- Ranks third in the state of Virginia (behind only Virginia Tech and Virginia)
- Is more than ACC member Duke (4)

New Radio Team

W&M broadcasts will feature a new member this season, as former Tribe All-American and 16-year NFL veteran Mike Leach '00 will join longtime play-by-play announcer Jay Colley in the radio booth. Colley will continue to handle play-by-play duties, while Leach will provide expert analysis and commentary.

Team Offensive Notes

Talented True Freshmen

Among the school-record five true freshmen who have played this season are three players on offense who earned their first career starts at Delaware - quarterback Shon Mitchell, running back Nate Evans and tight end Nick Muse. It marked the collegiate debuts for Mitchell and Muse.

Fourth Down Success

W&M currently ranks 13th nationally in fourth down success (.714) and has converted five of its seven attempts.

Protecting the Ball

W&M ranks tied for ninth nationally in fewest fumbles lost (2) this season. The success continues a trend that began last fall when the Tribe ranked sixth nationally in fewest fumbles lost (4).

Slow Starts / Quick Starts

Although W&M has scored just seven points during the first quarter this season, nearly half of its total points (47 of 95) have come immediately following halftime in the third quarter.

Ground Game Production is Key

Since 2011, W&M's ability to run the ball well has been indicative of its overall success. The Tribe has averaged 197.7 rushing yards per game in its 37 wins (7,314) rushing yards), while it has averaged just 129.9 yards per game on the ground in its 38 losses (4,935 rushing yards).

Since joining the league in 1993, W&M has rushed for at least 200 yards 76 times and posted a 71-5 record in those contests.

Additionally, W&M is 25-2 when out-rushing the opposition since 2013.

Stat to Watch

Dating back through the 2011 season, W&M has struggled to win games in which it has thrown at least 30 passes and owns a 7-17 mark in such contests.

New Coordinator

After three highly successful seasons as W&M's running backs coach, DJ Mangas was promoted to the Tribe's offensive coordinator and quarterbacks coach in May.

One of the nation's top young coaches, Mangas (28) was the second-youngest offensive coordinator in Division I (FBS & FCS) at the time of his promotion.

In addition to producing a 1,000-yard rusher during each of the last three seasons, Tribe running backs earned all-conference distinction all three years - highlighted by first-team selections in 2014 and 2015.

Team Defensive Notes

Defensive Dominance

W&M currently ranks 16th nationally in scoring defense and is allowing just 17.7 points per game. Additionally, the Tribe is limiting opponents to just 291.5 total yards per game this season - an impressive average that ranks 15th nationally.

Sacking the Opposition

W&M has been tremendously successful getting to opposing teams' quarterbacks this fall and currently ranks 10th nationally in sacks per game (3.3). Additionally, the Tribe ranks 16th in TFL per game (7.8).

The impressive numbers represent a reversal of last year's squad that posted just 10.0 sacks and 39.0 TFL during the entire season.

Below is a list of the Tribe's top single-season sack totals.

1. 49 - 2009
- 46 - 1996

The Tribe currently ranks fifth nationally in first down defense (85).

Strong Finishes

W&M has been outstanding defensively during the second halves of games this season and has allowed just 33 points.

Second Half Excellence vs. CAA

CAA opponents are averaging just 71.7 total yards during the second half of games against W&M (215 total yds). Additionally, W&M's defense has allowed just 14 total points during the final 30 minutes of action in its three league games (W&M also surrendered two points on a safety).

Shutting Down the Pass

Since the start of the 2007 season, a span of 123 games, the Tribe has allowed more than 300 passing yards just seven times - New Hampshire (2008, 2011), Delaware (2009), Hampton (2014), James Madison (2014) and Elon (2015), Duquesne (2015).

Tough to Score Through the Air

Since the start of the last season, a span of 17 games, just three opponents have scored more than one passing touchdown against W&M. The lone opponent to accomplish the feat this season was Virginia in the opener.

Youth in the Front Seven

Although W&M returns a pair of senior starters on its defensive line from 2016, the Tribe's front seven features 10 freshmen and sophomores on its Week 5 two-deep.

Consistency at MLB

A total of just five players have accounted for 122 of 125 starts at MLB during the past 11 seasons. Sophomore standout Nate Atkins added his name to that list last fall.

Defensive/Special Teams Scores

With Corey Parker's 19-yard fumble return for a touchdown in the win against Bucknell, W&M has now posted a defensive or special teams touchdown during 10 of the last 11 seasons.

Although it has not recorded a pick-six yet this fall, W&M entered the 2017 campaign having returned an interception for a touchdown in four straight seasons - and seven of the last eight.

Dating back to the 2007 season, the Tribe's defense and special teams have generated 241 points (33 touchdowns / three safeties / two PAT returns).

Creating Turnovers

Since the start of the 2013 season, W&M has generated 86 turnovers and has posted a +18 turnover margin.

Dating back to the start of the 2015 season, the Tribe has forced at least one turnover in 24 of the last 30 games.

Tradition of Excellence

In addition to currently ranking 16th nationally in scoring defense (17.7), W&M has established itself as one of the nation's top defensive teams during the last nine years and has finished the season ranked among the country's top 10 three times since 2009 (see below).

Year	Nat'l Ranking	Pts/gm
2017	16th	17.7
2013	2nd	14.0

2010	6th	16.7
2009	2nd	12.1

Especially Tough at Home

During the stretch of 46 games (776 points), W&M has posted six shutouts.

W&M owns a 33-13 record at home during that span.

Less Than 40

W&M has allowed just four opponents to score more than 40 points during the last 52 games (James Madison, 41 - 2015; Duquesne, 49 - 2015; Richmond, 48 - 2015; NC State, 48 - 2016).

Impressive Efforts

Since the start of the 2011 season, W&M has held opponents to less than 300 yards of total offense in more than 30 percent of its games (24 times in 76 games). The Tribe has posted a 20-4 record in those contests, with its only losses coming at Delaware (2017), versus Elon (2016) at Maryland (2012) and at Rhode Island (2011).

Dating back to last season, W&M has held five of its last eight opponents to less than 300 yards of total offense.

Head Coach Jimmye Laycock

William & Mary Head Coach Jimmye Laycock

38th Season

Career Record: 245-184-2 (.571)

Few schools feature a better match at the helm of its program than William & Mary has with Jimmye Laycock. In a tenure that will stretch into its 38th season this fall, Laycock has worked hand-in-hand with the university's world-class academic tradition to fashion a program that is a point of pride for the campus, alumni and community.

Laycock is the nation's longest tenured Division I head coach at his current school and entered the 2017 season ranked second in wins among all active D-I (FCS and FBS) coaches with 243 victories. Laycock also ranked second all-time among conference head coaches in league wins (109) entering this fall, while the Tribe has appeared in 19 postseason contests and advanced to the NCAA Semifinals twice under his direction.

The success has led to an era of unprecedented interest and support for his program. In addition to consistent growth in attendance, evidence of this is illustrated by the \$28 Zable Stadium renovation project that was completed this summer. The rejuvenated stadium, which includes and upper deck, luxury suites and a spacious state-of-the-art press box, provides an enhanced game day experience for both student-athletes as well as Tribe alumni and supporters.

On June 21, 2008, the College dedicated the \$11 million Jimmye Laycock Football Center with a ceremony that featured more than 500 friends and alumni of the program. While the building carries his name and stands as a strong symbol of what Laycock has meant to the Tribe, it makes a stronger statement about the school's commitment to football and the program's proud tradition. The state-of-the-art center provides W&M with one of the finest facilities in the FCS.

As the architect of what is easily the most extended run of success in W&M's 123-year football history, Laycock has never compromised academic standards for athletic success, as his program earned recognition from the NCAA in each of the first seven seasons the organization has awarded outstanding academic achievement.

When Laycock, a 1970 grad, returned to coach his alma mater prior to the 1980 season, he inherited a program that had won six or more games in a season just four times in the previous 25 years. Few could have predicted that the College would produce nearly five times that amount of seven-win seasons over the next 37 seasons.

Individual accomplishments under Laycock have been plentiful, as he has helped 45 players earn 125 All-America honors at W&M and coached 11 Academic All-Americans. Former quarterback Lang Campbell is one of the most honored, as the 2004 season saw him earn the prestigious Payton Award, given annually to the nation's top offensive player in the FCS ranks, consensus first team All-America honors, as well as the A-10's Offensive Player of the Year and Scholar-Athlete of the Year. With eight all-league recognitions in 2016, the Tribe has produced an astounding 248 all-conference selections since 1993. Former All-American running back Jonathan Grimes accounted for 11 of those honors, as he became the most decorated player in conference history in 2011.

Since 2009, W&M has produced six NFL Draft picks - a figure that leads the CAA and ranks second nationally in the FCS. Additionally, the impressive total ranks third in the state of Virginia (behind only Virginia and Virginia Tech).

The Tribe is well represented in the pro ranks, as eight former Tribe players were on NFL rosters during the last year: Jerome Couplin III (Los Angeles Rams), Jonathan Grimes (Jacksonville Jaguars), DeAndre Houston-Carson (Chicago Bears), Sean Lismore (San Diego Chargers), Tre McBride (Tennessee Titans), Luke Rhodes (Indianapolis Colts), Jerry Ugokwe (New Orleans Saints) and B.W. Webb (Chicago Bears).

In addition to the draft picks, 12 additional Tribe players have signed free agent contracts after their senior season since the conclusion of the 2004: Lang Campbell (2005, Cleveland Browns), Dominique Thomspon (2005, St. Louis Rams), Adam O'Connor (2007, Carolina Panthers), Drew Atchison (2008, Dallas Cowboys), Mike Potts (2008, Pittsburgh Steelers), Jonathan Grimes (2011, Houston Texans), Alex Gottlieb (2011, Detroit Lions), Jerome Couplin III (2014, Detroit Lions), Jasper Coleman (2015, Houston Texans), Mike Reilly (2015, Cleveland Browns), Luke Rhodes (2016, Tampa Bay Buccaneers) and Jerry Ugokwe (Indianapolis Colts).

In addition to producing a number of professional standouts, a number of Laycock's former players have gone on to accomplish tremendous success as NFL coaches. The most prominent of those is Mike Tomlin ('95), who became the youngest head coach to win a Super Bowl in NFL history when he guided the Pittsburgh Steelers to the title in 2009. Sean McDermott ('98) was hired as the Buffalo Bills head coach in January, 2017, while Alan Williams ('92) is the Detroit Lions defensive backs coach and previously held the title of defensive coordinator for the Minnesota Vikings. Additionally, Michael Clemons ('87) was one of the CFL's most explosive players after a brief stint in the NFL and currently holds the position of Vice Chair for the Toronto Argonauts.

As a 1970 graduate of the College, Laycock played football under two legends of the game. For three years, he learned the details under the watchful eyes of Marv Levy, the legendary former head coach of the Buffalo Bills. In his last season, Hall of Fame coach Lou Holtz schooled Laycock in the finer aspects of psyche and motivation. As a sophomore, Laycock was a starter in the defensive secondary, but he was soon switched to quarterback where he completed 96 of 218 career passes for 1,366 yards.

Laycock's first full-time coaching position came at The Citadel as the offensive backfield coach under Bobby Ross, who went on to coach the NFL's San Diego Chargers and Detroit Lions. In 1975, Memphis State tabbed Laycock as its quarterback's coach and he helped the Tigers to consecutive 7-4 records.

In 1977, Laycock traveled to Clemson to serve as offensive coordinator for three years. During his tenure, he helped the Tigers fashion records of 8-3-1, 11-1 and 8-4. Clemson played bowl games in each year, defeating Ohio State 17-15 in the 1978 Gator Bowl. At that time, Laycock coached two-time All-ACC performer Steve Fuller, the Tiger quarterback who later played in the NFL, and Dwight Clark, an All-Pro receiver for the San Francisco 49ers.

A native Virginian, Laycock played football, basketball, baseball and golf at Loudoun Valley High School, where he won 12 letters and has since had his number retired and been inducted into the school's Athletics Hall of Fame. Laycock was also inducted into the Hampton Roads Sports Hall of Fame in the fall of 2010.

Laycock is married to Deirdre Connelly, a sports psychology consultant at the College. They have three children: Michael, a Captain in the U.S. Army; Mimi, a 2014 graduate of W&M, teaches for Teach for America in the Baltimore, Md., school system; and James, a recent graduate of Longwood University.

Laycock's daughter Melanie is married to Doug Johnson and is a school administrator in Atlanta, Ga. The couple has two daughters, Grail and Nolan.
