No. 19/17 Tribe Falls at New Hampshire, 21-12

Durham, N.H. - The No. 19/17 Tribe fell at New Hampshire, 21-12, on a rainy Saturday afternoon at Wildcat Stadium.

Although W&M (2-3, 0-2) forced three turnovers in the first quarter, it was unable to capitalize off the miscues and trailed 7-6 at halftime. After a scoreless third quarter, the Wildcats (3-2, 2-0) pulled away with two touchdowns early in the fourth quarter en route to securing a homecoming victory.

Senior running back Kendell Anderson led the Tribe with 168 rushing yards on 25 carries and a touchdown, while junior wideout Daniel Kuzjak recorded his first career touchdown catch. Anderson's impressive effort marked the eighth 100-yard rushing performance of his career.

Defensively, redshirt freshman linebacker Nate Atkins and senior linebacker Stephen Lubnow totaled 11 and 10 tackles, respectively, while redshirt freshman safety Corey Parker recovered a pair of fumbles. Senior cornerback Trey Reed also came up big with an interception, marking the second consecutive game in which he has recorded a pick.

UNH outgained W&M, 370-235, and held the Tribe to just 61 passing yards and 3 of 13 on third down situations. Most of the Wildcats' yardage came on the ground, as they piled up 252 yards on 56 carries.

W&M took an early 6-0 lead with a 36-yard touchdown run by Anderson, which came just two plays after Reed intercepted UNH quarterback Trevor Knight near midfield and returned it to the Wildcats' 39-yard line.

The touchdown was W&M's lone score off UNH's three first quarter turnovers – all of which gave the Tribe starting field position in Wildcats territory. The other two opportunities ended with a 32-yard missed field goal by redshirt freshman kicker Kris Hooper and an interception by senior quarterback Steve Cluley.

UNH's only score of the opening half came on a 28-yard touchdown run by Knight on a fourth-and-9 with 4:37 left in the second quarter.

The Tribe had a chance to reclaim the lead midway through the third quarter, but Hooper missed a 35-yard field goal.

New Hampshire pulled away with a pair of touchdowns early in the fourth quarter, coming on a 1-yard run by tailback Dalton Crossan and a 12-yard pass from Knight to Anthony Pante.

W&M answered the second scoring drive with a 9-yard touchdown pass from Cluley to Kuzjak on a fourth-and-goal with 6:31 remaining. However, W&M was unable to get the ball back as UNH ran out the clock.

Crossan led the Wildcats with 98 rushing yards on 27 carries, while Knight finished with 95 yards on 16 carries.

- Improve W&M's all-time record vs. UNH in Williamsburg to 11-1
- Be W&M's 12th win against UNH in its last 15 meetings
- Snap a five-game losing streak

Series History

This Saturday's contest will mark the 21st meeting between W&M and UNH, as the Tribe holds a 15-5 advantage in the all-time series and has won 11 of the last 14 matchups. W&M owns a 10-1 mark in games played in Williamsburg.

Perennial Powers

This Saturday's contest will mark the 19th time in the 20 W&M-UNH meetings *as league opponents* that at least one of the teams has carried a national ranking into the matchup. In eight of the last 12 meetings, both teams have owned a national ranking.

Slowing Down UNH's Ground Game

A key to the Tribe's last five victories against New Hampshire has been the defense's ability to slow down UNH's rushing attack. During that stretch of wins, the Wildcats have averaged just 74.4 rushing yards per game (372 yds/149 carries) and just 2.5 yards per carry.

Conversely, the Tribe has allowed 195.0 rushing yards per game in its last three losses against the Wildcats (585 total yards).

Close Calls

Just five of the last 14 games between W&M and UNH have been decided by more than 10 points.

However, the last three meetings in Williamsburg have been outliers, as W&M's margin of victory in those contests have been: 14 in 2011; 17 in 2013; 16 in 2015.

Tough CAA Opponent

Sean McDonnell's UNH program entered this fall having made 13 straight NCAA Playoff appearances. McDonnell's teams have won 10, or more games, six times in the last 13 years. Additionally, the Wildcats advanced to the NCAA Semifinals during two of the last four seasons.

Team Notes

Stanford Game

W&M Director of Athletics Samantha K. Huge recently announced that the Tribe football team will travel to Stanford University in 2020 to take on the Cardinal. It will be the first meeting on the gridiron between the schools, which both have been playing football for more than a century.

The match-up will be the first football game that W&M has played in California, and the farthest west the team has traveled since playing at the University of Oklahoma in 1951. The game will also mark the first meeting between a current PAC-12 school and W&M and only the second meeting between Stanford and a school from the state of Virginia (Virginia Tech in the 2011 Orange Bowl).

Quality Opponents

W&M's first five opponents in league play this season currently own a combined overall record of 30-9 and a league mark of 21-6.

2020

Year that W&M will travel to Stanford, which was announced last week. The matchup will be the first football game that W&M has played in California, and the farthest west the team has traveled since playing at the University of Oklahoma in 1951. The game will also mark the first meeting between a current PAC-12 school and W&M and only the second meeting between Stanford and a school from the state of Virginia (Virginia Tech in the 2011 Orange Bowl).

The William & Mary football program boasts some of the finest facilities at the FCS level, as the \$28 million Zable Stadium renovation was completed in 2016 and sits adjacent to the team's \$11 million Jimmye Laycock Football Center. The recent stadium renovation also includes the addition of a new state-of-the-art playing surface – FieldTurf Revolution 360.

The chart below indicates those national rankings.

Importance of Getting Ahead

Dating back to the start of the 2013 season, W&M is 19-10 in games in which it scores first. Conversely, it is 11-17 when the opponent scores first.

Importance of Leading at Halftime

Dating back to the 2014 season, the Tribe has won 13 of its last 14 games when leading at halftime. The lone setback came at Towson last season.

With 245 career victories, head coach Jimmie Laycock ranks as the second-winningest active D-I head coach and trails only Al Bagnoli (Columbia), who has 250.

Holding on to Leads

Dating back to the start of the 2013 season, W&M owns a 27-3 record when leading after three quarters.

The three losses came against Delaware, 2015; JMU, 2014; Villanova, 2013.

Staying in the Game

Dating back to the start of the 2009 season, W&M has suffered just 19 double-digit margin losses against FCS opponents - a stretch that covers 95 games.

Winning at Zable Stadium

Dating back to the start of the 2015 season, W&M has won 10 of its last 14 home games at Zable Stadium.

Additionally, W&M has posted an 19-7 record at home since the start of the 2013 season, which represents a 73.1 winning percentage.

W&M's recent undefeated regular-season home records came in 2015, 2010, 2009 & 2004.

SOLD OUT

W&M's Homecoming game against James Madison on Oct. 21 was the program's first sellout at the renovated Zable Stadium (13,125).

Historical Success in Close Games

Since taking over the W&M football program in 1980, head coach Jimmie Laycock's squads have played in 69 games decided by three or fewer points. W&M has experienced success in those contests, totaling an impressive 37-30-2 record.

Additionally, the Tribe has posted a 7-4 record in overtime games.

One Tribe, One Family

The W&M athletic department's unofficial slogan - "One Tribe, One Family" - is especially true for the Tribe football team, as the roster features a pair of brother tandems - Josh/Justin Dulaney and Collin/Corey Parker.

W&M a Special Place for Special Teams

A Tribe standout has earned the CAA Special Teams Player of the Year honor during six of the last seven seasons - Jonathan Grimes (2010, 2011), B.W. Webb (2012), Tre McBride (2013), John Carpenter (2014) and DeVonte Dedmon (2015).

National Preseason Honor

Having established himself as one of the nation's elite offensive linemen throughout his career, W&M senior left tackle Chris Durant was selected to the STATS FCS Preseason All-America Third Team this summer.

A two-time All-CAA honoree and four-year starter at left tackle, Durant also earned 2017 preseason All-CAA distinction.

Durant's standout play has helped W&M produce a 1,000-yard rusher during each of the last three seasons. Additionally, the Tribe allowed the league's fewest sacks per game (1.08) and led the nation in fewest tackles for a loss allowed per game (3.46) in 2015.

Preseason All-CAA

In addition to Durant's selection on the preseason All-CAA team, senior wide receiver DeVonte Dedmon also garnered the distinction.

One of the nation's most electric playmakers as both a wide receiver and a return specialist, Dedmon entered his senior season as an All-America candidate at both positions. A two-time All-CAA selection at wideout and former CAA Special Teams Player of the Year (2015), Dedmon ranked among the league's top 10 in five statistical categories last fall despite being limited for much of the season by injury.

Preseason CAA Rankings

The Tribe was selected to finish seventh the CAA preseason poll, which was voted on by the league's coaches and sports information directors.

Captains

The Tribe is led by a quartet of senior captains this season - defensive end Matt Ahola, tight end Andrew Caskin, left guard Connor Hilland and cornerback Aaron Swinton.

Tribe in the NFL

The Tribe was well represented in NFL training camps this summer, as six former players were on active rosters - Jonathan Grimes (Jaguars), DeAndre Houston Carson (Bears), Tre McBride (Titans), Luke Rhodes (Colts), Jerry Ugokwe (Saints) and B.W. Webb (Bears). Additionally, two other former players were on NFL rosters last season - Jerome Couplin III (Rams) and Sean Lissimore (Chargers).

Additionally, a pair of former Tribe players are currently serving as NFL head coaches - Mike Tomlin '95 (Pittsburgh Steelers, head coach) and Sean McDermott '98 (Buffalo Bills). Atlanta Falcons head coach Dan Quinn also has W&M ties, as he was an assistant on the Tribe's staff in 1994.

Also noteworthy is a pair of former W&M head coaches who went on to have extraordinary careers - Marv Levy and Lou Holtz. Levy served as W&M's head coach from 1964-68 and was followed by Holtz from 1969-71.

Tribe NFL Draft Picks

When All-American defensive back DeAndre Houston Carson was selected by the Chicago Bears in the sixth round of the 2016 NFL Draft, he became the sixth Tribe player drafted since 2009.

Below are a few notes about W&M's six NFL Draft picks since 2009.

- Leads the CAA and ranks second in the FCS, behind only Montana (7)
- Ranks third in the state of Virginia (behind only Virginia Tech and Virginia)
- Is more than ACC member Duke (4)

Mike Tomlin, Sean McDermott, Marv Levy and Lou Holtz all have ties to W&M. Tomlin (1990-94), a wide receiver, and McDermott (1993-97), a safety, are both former team captains, while Levy (1964-68) and Holtz (1969-71) both served as head coaches.

New Radio Team

W&M broadcasts will feature a new member this season, as former Tribe All-American and 16-year NFL veteran Mike Leach '00 will join longtime play-by-play announcer Jay Colley in the radio booth. Colley will continue to handle play-by-play duties, while Leach will provide expert analysis and commentary.

Leach joins the broadcast team after a remarkable 16-year NFL career as a long snapper and tight end with the Arizona Cardinals, Denver Broncos and Tennessee Titans. While at W&M, Leach earned first-team Walter Camp All-America honors as a tight end during his senior season after garnering second-team All-America accolades from the AP as a junior.

The Chesapeake Bank Jimmie Laycock Show will broadcast live at Paul's Deli on the Tribe's flagship stations 92.3 FM The Tide and 107.9 Bach FM each Tuesday this season. The show will begin on-site at 6:30 p.m. with the live interview airing from 7 - 7:30 p.m.

Longtime Tribe play-by-play announcer Jay Colley will host the broadcast from Paul's Deli, located at 761 Scotland St.

Fans unable to pick up the broadcast locally can listen online at TribeAthletics.com.

Team Offensive Notes

Talented True Freshmen

Among the school-record five true freshmen who have played this season are three players on offense who earned their first career starts at Delaware - quarterback Shon Mitchell, running back Nate Evans and tight end Nick Muse. It marked the collegiate debuts for Mitchell and Muse.

Fourth Down Success

W&M currently ranks 21st nationally in fourth down success (.636) and has converted five of its seven attempts.

Slow Starts / Quick Starts

Although W&M has scored just 10 points during the first quarter this season, nearly half of its total points (50 of 115) have come immediately following halftime in the third quarter.

Ground Game Production is Key

Since 2011, W&M's ability to run the ball well has been indicative of its overall success. The Tribe has averaged 197.7 rushing yards per game in its 37 wins (7,314 rushing yards), while it has averaged just 130.5 yards per game on the ground in its 40 losses (5,221 rushing yards).

Since joining the league in 1993, W&M has rushed for at least 200 yards 76 times and posted a 71-5 record in those contests.

Additionally, W&M is 25-2 when out-rushing the opposition since 2013.

Stat to Watch

Dating back through the 2011 season, W&M has struggled to win games in which it has thrown at least 30 passes and owns a 7-18 mark in such contests.

New Coordinator

After three highly successful seasons as W&M's running backs coach, DJ Mangas was promoted to the Tribe's offensive coordinator and quarterbacks coach in May.

One of the nation's top young coaches, Mangas (28) was the second-youngest offensive coordinator in Division I (FBS & FCS) at the time of his promotion.

In addition to producing a 1,000-yard rusher during each of the last three seasons, Tribe running backs earned all-conference distinction all three years - highlighted by first-team selections in 2014 and 2015.

Team Defensive Notes

Defensive Dominance

W&M is limiting opponents to just 310.0 total yards per game this season, an impressive figure that ranks 18th nationally.

Additionally, none of the Tribe's eight opponents have managed more than 400 yards of total offense.

Sacking the Opposition

W&M has been tremendously successful getting to opposing teams' quarterbacks this fall and currently ranks ninth nationally in sacks per game (3.25). Additionally, the Tribe ranks 17th in TFL per game (7.6).

The impressive numbers represent a reversal of last year's squad that posted just 10.0 sacks and 39.0 TFL during the entire season.

Below is a list of the Tribe's top single-season sack totals.

1. 49 - 2009
- 46 - 1996
3. 45 - 1990
4. 35 - 1989
- 35 - 1988
6. 34 - 2014
7. 31 - 2013
- 31 - 1999
- 31 - 1997
10. 30 - 2004
- **26 - 2017**

Third Down Stops

During the last seven contests, W&M's defense has held the opposition to just 34 of 107 on third downs (31.8).

The Tribe currently ranks 12th nationally in first down defense (125).

Second Half Excellence vs. CAA

CAA opponents are averaging just 101.4 total yards during the second half of games against W&M (507 total yds).

Limiting Big Runs

W&M has allowed just one rush for more than 30 yards this season, which came against Norfolk State (Aaron Savage - 40 yds).

Shutting Down the Pass

Since the start of the 2007 season, a span of 124 games, the Tribe has allowed more than 300 passing yards just seven times - New Hampshire (2008, 2011), Delaware (2009), Hampton (2014), James Madison (2014) and Elon (2015), Duquesne (2015).

Tough to Score Through the Air

Since the start of the start of last season, a span of 19 games, just three opponents have scored more than one passing touchdown against W&M. The lone opponent to accomplish the feat this season was Virginia in the opener.

Youth in the Front Seven

Although W&M returns a pair of senior starters on its defensive line from 2016, the Tribe's front seven features 10 freshmen and sophomores on its Week 9 two-deep.

Consistency at MLB

A total of just five players have accounted for 124 of 127 starts at MLB during the past 11 seasons. Sophomore standout Nate Atkins added his name to that list last fall.

Defensive/Special Teams Scores

With Corey Parker's 19-yard fumble return for a touchdown in the win against Bucknell, W&M has now posted a defensive or special teams touchdown during 10 of the last 11 seasons.

Although it has not recorded a pick-six yet this fall, W&M entered the 2017 campaign having returned an interception for a touchdown in four straight seasons - and seven of the last eight.

Dating back to the 2007 season, the Tribe's defense and special teams have generated 241 points (33 touchdowns / three safeties / two PAT returns).

Creating Turnovers

Since the start of the 2013 season, W&M has generated 89 turnovers and has posted a +14 turnover margin.

Dating back to the start of the 2015 season, the Tribe has forced at least one turnover in 26 of the last 32 games.

Tough Defense at Zable

The Tribe defense has been outstanding in home games since the start of the 2009 season and is allowing just 17.5 points per game at Zable Stadium during the stretch.

During the stretch of 47 games (822 points), W&M has posted six shutouts.

W&M owns a 33-14 record at home during that span.

Less Than 40

W&M has allowed just five opponents to score more than 40 points during the last 54 games (James Madison, 41 in 2015 & 46 in 2017; Duquesne, 49 in 2015; Richmond, 48 in 2015; NC State, 48 in 2016).

Impressive Efforts

Since the start of the 2011 season, W&M has held opponents to less than 300 yards of total offense in more than 30 percent of its games (24 times in 78 games). The Tribe has posted a 20-4 record in those contests, with its only losses coming at Delaware (2017), versus Elon (2016) at Maryland (2012) and at Rhode Island (2011).

Dating back to last season, W&M has held five of its last 10 opponents to less than 300 yards of total offense.

Shutout History

The Tribe has posted 15 shutouts during the Laycock era, with more than a third of them (six) having come since 2009.

Head Coach Jimmye Laycock

William & Mary Head Coach Jimmye Laycock

38th Season

Career Record: 245-186-2 (.568)

Few schools feature a better match at the helm of its program than William & Mary has with Jimmye Laycock. In a tenure that will stretch into its 38th season this fall, Laycock has worked hand-in-hand with the university's world-class academic tradition to fashion a program that is a point of pride for the campus, alumni and community.

Laycock is the nation's longest tenured Division I head coach at his current school and entered the 2017 season ranked second in wins among all active D-I (FCS and FBS) coaches with 243 victories. Laycock also ranked second all-time among conference head coaches in league wins (109) entering this fall, while the Tribe has appeared in 19 postseason contests and advanced to the NCAA Semifinals twice under his direction.

The success has led to an era of unprecedented interest and support for his program. In addition to consistent growth in attendance, evidence of this is illustrated by the \$28 Zable Stadium renovation project that was completed this summer. The rejuvenated stadium, which includes and upper deck, luxury suites and a spacious state-of-the-art press box, provides an enhanced game day experience for both student-athletes as well as Tribe alumni and supporters.

On June 21, 2008, the College dedicated the \$11 million Jimmye Laycock Football Center with a ceremony that featured more than 500 friends and alumni of the program. While the building carries his name and stands as a strong symbol of what Laycock has meant to the Tribe, it makes a stronger statement about the school's commitment to football and the program's proud tradition. The state-of-the-art center provides W&M with one of the finest facilities in the FCS.

As the architect of what is easily the most extended run of success in W&M's 123-year football history, Laycock has never compromised academic standards for athletic success, as his program earned recognition from the NCAA in each of the first seven seasons the organization has awarded outstanding academic achievement.

When Laycock, a 1970 grad, returned to coach his alma mater prior to the 1980 season, he inherited a program that had won six or more games in a season just four times in the previous 25 years. Few could have predicted that the College would produce nearly five times that amount of seven-win seasons over the next 37 seasons.

Individual accomplishments under Laycock have been plentiful, as he has helped 45 players earn 125 All-America honors at W&M and coached 11 Academic All-Americans. Former quarterback Lang Campbell is one of the most honored, as the 2004 season saw him earn the prestigious Payton Award, given annually to the nation's top offensive player in the FCS ranks, consensus first team All-America honors, as well as the A-10's Offensive Player of the Year and Scholar-Athlete of the Year. With eight all-league recognitions in 2016, the Tribe has produced an astounding 248 all-conference selections since 1993. Former All-American running back Jonathan Grimes accounted for 11 of those honors, as he became the most decorated player in conference history in 2011.

Since 2009, W&M has produced six NFL Draft picks - a figure that leads the CAA and ranks second nationally in the FCS. Additionally, the impressive total ranks third in the state of Virginia (behind only Virginia and Virginia Tech).

The Tribe is well represented in the pro ranks, as eight former Tribe players were on NFL rosters during the last year: Jerome Couplin III (Los Angeles Rams), Jonathan Grimes (Jacksonville Jaguars), DeAndre Houston-Carson (Chicago Bears), Sean Lismore (San Diego Chargers), Tre McBride (Tennessee Titans), Luke Rhodes (Indianapolis Colts), Jerry Ugokwe (New Orleans Saints) and B.W. Webb (Chicago Bears).

In addition to the draft picks, 12 additional Tribe players have signed free agent contracts after their senior season since the conclusion of the 2004: Lang Campbell (2005, Cleveland Browns), Dominique Thomspon (2005, St. Louis Rams), Adam O'Connor (2007, Carolina Panthers), Drew Atchison (2008, Dallas Cowboys), Mike Potts (2008, Pittsburgh Steelers), Jonathan Grimes (2011, Houston Texans), Alex Gottlieb (2011, Detroit Lions), Jerome Couplin III (2014, Detroit Lions), Jasper Coleman (2015, Houston Texans), Mike Reilly (2015, Cleveland Browns), Luke Rhodes (2016, Tampa Bay Buccaneers) and Jerry Ugokwe (Indianapolis Colts).

In addition to producing a number of professional standouts, a number of Laycock's former players have gone on to accomplish tremendous success as NFL coaches. The most prominent of those is Mike Tomlin ('95), who became the youngest head coach to win a Super Bowl in NFL history when he guided the Pittsburgh Steelers to the title in 2009. Sean McDermott ('98) was hired as the Buffalo Bills head coach in January, 2017, while Alan Williams ('92) is the Detroit Lions defensive backs coach and previously held the title of defensive coordinator for the Minnesota Vikings. Additionally, Michael Clemons ('87) was one of the CFL's most explosive players after a brief stint in the NFL and currently holds the position of Vice Chair for the Toronto Argonauts.

As a 1970 graduate of the College, Laycock played football under two legends of the game. For three years, he learned the details under the watchful eyes of Marv Levy, the legendary former head coach of the Buffalo Bills. In his last season, Hall of Fame coach Lou Holtz schooled Laycock in the finer aspects of psyche and motivation. As a sophomore, Laycock was a starter in the defensive secondary, but he was soon switched to quarterback where he completed 96 of 218 career passes for 1,366 yards.

Laycock's first full-time coaching position came at The Citadel as the offensive backfield coach under Bobby Ross, who went on to coach the NFL's San Diego Chargers and Detroit Lions. In 1975, Memphis State tabbed Laycock as its quarterback's coach and he helped the Tigers to consecutive 7-4 records.

In 1977, Laycock traveled to Clemson to serve as offensive coordinator for three years. During his tenure, he helped the Tigers fashion records of 8-3-1, 11-1 and 8-4. Clemson played bowl games in each year, defeating Ohio State 17-15 in the 1978 Gator Bowl. At that time, Laycock coached two-time All-ACC performer Steve Fuller, the Tiger quarterback who later played in the NFL, and Dwight Clark, an All-Pro receiver for the San Francisco 49ers.

A native Virginian, Laycock played football, basketball, baseball and golf at Loudoun Valley High School, where he won 12 letters and has since had his number retired and been inducted into the school's Athletics Hall of Fame. Laycock was also inducted into the Hampton Roads Sports Hall of Fame in the fall of 2010.

Laycock is married to Deirdre Connelly, a sports psychology consultant at the College. They have three children: Michael, a Captain in the U.S. Army; Mimi, a 2014 graduate of W&M, teaches for Teach for America in the Baltimore, Md., school system; and James, a recent graduate of Longwood University.

Laycock's daughter Melanie is married to Doug Johnson and is a school administrator in Atlanta, Ga. The couple has two daughters, Grail and Nolan.
